Academic Excellence

The academic year 2025–26 was marked by consistent efforts towards academic excellence. Teachers adopted innovative and learner-centered teaching methodologies including smart classrooms, activity-based learning, group discussions, practical demonstrations, and digital learning platforms.

Special remedial classes, doubt-clearing sessions, periodic assessments, and regular parent-teacher meetings were conducted to ensure the academic growth of every student.

Students actively participated in Olympiads, quizzes, debates, science exhibitions, and literary competitions, bringing laurels to the institution.

The school emphasized:

- 👉 Conceptual learning
- 👉 Experiential education
- 👉 Skill-based learning
- 👉 Continuous assessment
- 👉 Individual attention to students

We are pleased to share the outstanding Examination Results of Session 2025–2026 of Classes Nursery to 9th & 11th & the Board Results of Grade 10 & 12.

TOURS & TRIPS

Under the **Yuva Tourism Club**, various educational tours and trips were organized during the year 2025 to provide students with experiential learning opportunities beyond the classroom. These visits helped students explore historical places, cultural heritage sites, educational institutions, and recreational destinations, enhancing their knowledge, confidence, teamwork, and social interaction skills. Through these enriching journeys, students developed awareness about tourism, culture, environmental conservation, and the importance of preserving our heritage while enjoying learning in a practical and engaging manner

Faculty Development

Teachers regularly attended workshops, seminars, orientation programs, and training sessions to upgrade their teaching methodologies and professional skills. The school management encouraged continuous learning and innovation among staff members to maintain high educational standards.

Parent-School Partnership

The school believes that parents are valuable partners in the educational journey of students. Regular Parent-Teacher Meetings (PTMs) were organized to discuss students' academic performance, discipline, and overall development. The support and cooperation of parents played a significant role in the successful functioning of the school.

Environmental & Social Awareness

Various awareness programs and campaigns were organized by **ECO CLUB** to instill social responsibility and environmental consciousness among students, including:

- 🌱 Plantation Drives
- 🧹 Cleanliness Campaigns
- 📣 Awareness Rallies
- 🏥 Health & Hygiene Programs
- 🤝 Community Service Initiatives

Students were encouraged to become responsible citizens contributing positively to society.

Transforming for Excellence

During the session 2025–26, the school took remarkable steps towards innovative and skill-based education by introducing several modern learning facilities for students.

 **Abacus Classes** – Enhancing mental ability, concentration, and logical thinking skills among students.

 **Robotics Classes** – Encouraging creativity, innovation, coding, and practical learning experiences.

 **English Language Lab** – Strengthening communication skills, pronunciation, and spoken English proficiency.

 **Mathematics Lab** - Develops logical thinking, makes concepts easy to understand, encourages hands-on learning

 **GECS Newline Launched** – Providing students with a dynamic platform to showcase creativity, reporting skills, school achievements, and current happenings while promoting communication and leadership qualities.

During the session, students of the school excelled in academics, sports, and cultural activities. The school witnessed remarkable participation and achievements at inter-school and district-level competitions. The dedication of students, teachers, and parents contributed significantly to the institution's continuous progress and success.

Message of Gratitude

The school management expresses sincere gratitude to:
Chairman and Management Committee

Principal

Teaching & Non-Teaching Staff

Parents

Students

for their constant support, dedication, and cooperation throughout the session.

Conclusion

As we conclude another successful academic year, Golden Earth Convent School reaffirms its commitment to providing quality education and nurturing young minds with values, knowledge, discipline, and confidence.

We look forward to achieving greater milestones in the coming years and continuing our mission of shaping responsible and successful citizens for the nation.

“Nurturing the Present to Secure the Future.”
